# 1175 SPEKTRA

---

## MODEL DESCRIPTION

Unique and sustainable: the SPEKTRA series. Be inspired by the variety of models. Customisable in a seating grid of 10 cm, different seat heights and feet, seat firmnesses, as well as numerous functions, heart balance and optionally even with the Sleepoly bed function.

---

## UPHOLSTERY

workmanship: casual look  
backrest: Formasoft cold foam

---

## SEAM APPEARANCE

seam type: decorative fell seam  
decorative contrast stitching: possible

---

## SEATING COMFORT

The seating comfort can be selected in 3 degrees of firmness:  
Superlastic plus with spring core  
Superlastic med  
Superlastic soft

---

## INFORMATION ON COVERS

back cover: genuine (prices bold print), fleece (prices lean print)  
special features of the cover: not suitable for striped, chequered, mohair and repeat fabrics  
cover combination: not possible

---

## TOGGLE SWITCH

The electrical function is controlled by a toggle switch on the side of the seat.

---

## METAL FOOT

metal foot 62 stainless steel look  
metal foot 63 anthracite

---

## VISIBLE SURFACE

58 wild oak  
possible stains  
58 wild oak (017, 617, 681)

---

## ATTENTION

- ⚡ Variants are available electrically and optionally with a rechargeable battery.
- 🔧 Variants with a corresponding note are delivered disassembled for weight reasons (assembly instructions are included).

# 1175 SPEKTRA

## DIMENSIONS

The dimensions stated on the price pages refer to the low seat height. The height and total height change accordingly.

All dimensions are approximate and may vary slightly.

With the supplementary equipment heart balance, the total depth is reduced by approx. 7cm due to the fittings.

The width specification for elements with side part is based on a slightly angled position of the side parts, as only in this position a dimensionally accurate and visually harmonious appearance can be guaranteed.

A wall clearance of 15cm is required to operate the Wallfree function.

## SUPPLEMENTARY EQUIPMENT

Z77 heart balance

## STORAGE BATTERY 0920

The external storage battery makes the furniture cordless. The simple handling with a plug connection and the small and easy-to-use charging station speak for themselves. Available in silver and anthracite. Recommendation: battery cover in matching cover.

## WALLFREE FUNCTION, HEART BALANCE

The Wallfree function is available either manually or electrically and allows convenient adjustment of the backrest and leg rest. In combination with the optional heart balance function available for the electric versions, the leg rest can be raised to the soothing heart balance position.

## BED FUNCTION

Thanks to the manual bed function, the sofa can be quickly converted into a spacious sleeping area. To do this, the backrest is folded up and the seat, including the fittings, is pulled out to create a bed surface. When folded down, it remains invisible and blends seamlessly into the furniture.

# 1175 SPEKTRA

---

## BACKREST TILT FUNCTION

The corner elements are also available with a practical backrest tilt function. Depending on the version, the backrest can be adjusted on one or both sides, allowing you to sit in a particularly comfortable and relaxed position.

---

## STORAGE SPACE

The practical storage space in the open end can be opened manually and is perfect for storing blankets and pillows.
